## Welcome to Rothney

**W**e extend our warmest welcome to Rothney's first annual production sale. We are extremely proud that the consignment contains only cattle bred by Rothney, born at Rothney and raised at Rothney, the only sale of its kind. Cattle that carry the tradition of the finest Shorthorn bloodlines anywhere in the world and have the size, scale and growth factor necessary to meet modern demands.

We have endeavored to offer only young stock with their full productive years ahead of them. Females in this sale are the best; there are no old cows beyond their prime, no tail enders. We can offer them only because we retain mothers and sisters. Some of these calves will make show history for their new owners.

Revolutionizing obsolete standards, we have resisted the temptation to fit our sale offering highly. They are in top condition and we are confident they will be sound, keep growing, and give you good breeding service for many years.

We are looking forward to seeing you on Friday, October 30, and showing you around. Then we hope you will accept our invitation to dinner at the Crossroads Motor Hotel at 6:30 p.m., Friday evening, October 30. Of course, we hope to see you on Saturday at noon for the sale.

Cordially,

*Sandy*

**Rothney Juggler** was one of the top sons of the \$26,000 Calrossie Highland Piper. He sold to S. G. Bennett, Scotsdale, Georgetown, Ont.

## STUDY THE ROTHNEY RECORD AT CALGARY

The great Calgary bull sale held annually in March is easily the biggest of the famous western Canadian spring bull sales. The Rothney record is unmatched. Rothney has won more championships, first prizes and group awards than any other herd including winning the group of three bulls class on eight occasions in 10 years. Year after year, the acceptance of the big Rothney bulls by the discriminating cattlemen of western Canada is proof enough that a Rothney bull can do well for you in meeting the tough demands of today's beef cattle business.

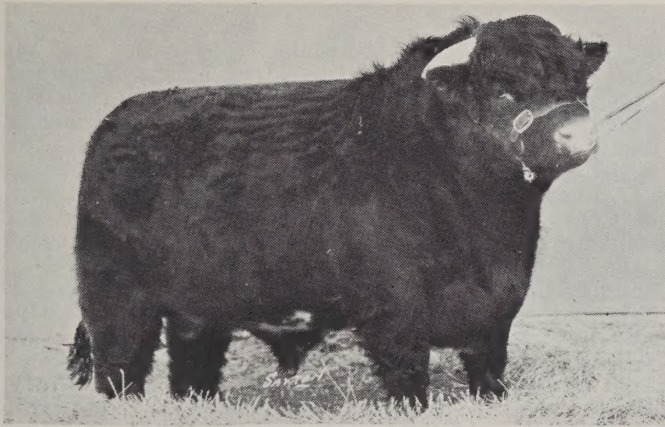

**Left — Rothney Imperial** by Calrossie Highland Piper was grand champion and top-selling bull of the 1957 Calgary bull sale and sold to Clem Laughlin, Viking, Alta.

**Right — Rothney** has won the class for best three bulls at Calgary eight times in 10 years. This group includes the \$4,100 champion Rothney Kinross sold to H. Russell Held, Hinton, Ia.

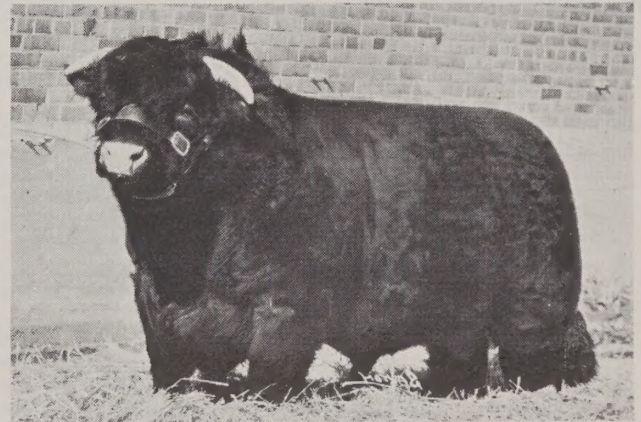

**Rothney Justinian was champion bull at Calgary and sold to KaDel Urice, Vinton, Iowa, where he sired many champions and a great group of brood cows.**

**Rothney Masterstroke was another of Rothney's many Calgary grand champions. He sold to H. Russell Held, Hinton, Iowa, who has had eminent success with his Rothney bulls.**

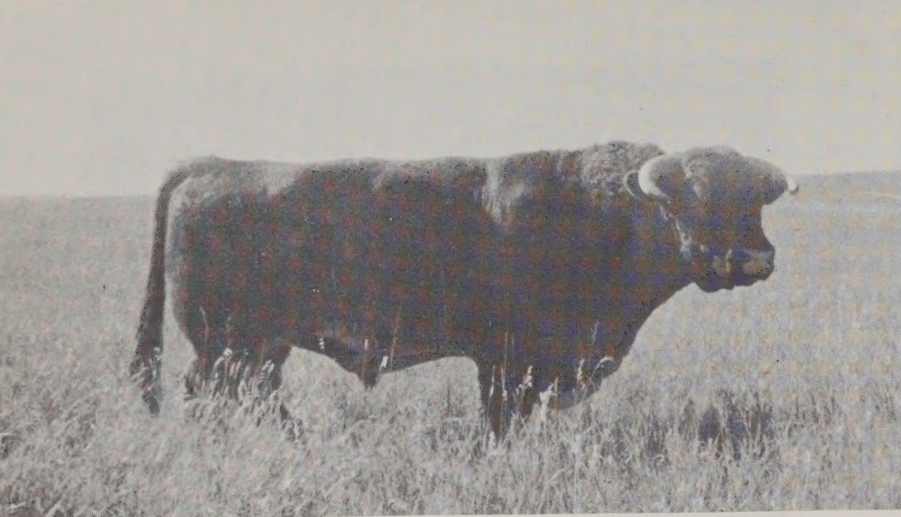

**The all-time top bull at Calgary was the champion of the 1955 sale, Rothney Goldenrod, that sold to Claude Gallinger.**

**Rothney Highness was champion and top of the 1956 Calgary bull sale and sold at \$4,800 to T. G. Hamilton, Innisfail, Alta.**

Scotsdale Trooper on pasture at Rothney in August, 1970.

**SCOTSDALE TROOPER** — One of the best sires ever used at Rothney is the grand old Scotsdale Trooper. He was purchased in August of 1965 from Richardson Stock Farms, Winnipeg, where he had been in service. He is by the 2,300 Scotsdale Navarre that also sired the 2,225-pound Scotsdale Tehran in service at Scotsdale today. Trooper sons have sold to leading breeders throughout the United States and Canada. Perhaps the most famous of them all is Rothney Dalbeattie that topped the 1970 Calgary sale to Russell Held, Hinton, Iowa. Subsequently, he became undefeated grand champion of the Iowa, Minnesota and South Dakota State Fairs, the Sioux Empire Fair and the Clay County Fair. Another son, Rothney Constrictor, was purchased by Held in the 1969 Calgary sale and subsequently topped the Diamond H-Marlboro Sale at \$3,000 for two-thirds to R. Lee Johnson, Fredericktown, Ohio. The bull was later International reserve senior champion and All-American two-year-old. Other Trooper sons are Rothney Triumphant, sold to T. G. Hamilton, Innisfail, Alta.; Rothney Canmore to Ken MacArthur of California; Rothney Denny to Glen Ahrendsen, Manning, Iowa; Rothney Don Quixote to McDonald Brothers, Preston, Iowa. Only one Trooper daughter has ever been sold, Rothney Rosemary 70Y, to W. J. Boake, Acme, Alta. This will be the first time Trooper daughters have ever been offered at auction.

**SCOTSDALE ADRIAN** — One of the leading Rothney sires is the \$9,000 Scotsdale Adrian that was purchased from Scotsdale at the top price of 1968. He is a tremendously big son of the 2,225-pound Scotsdale Tehran and is by the 2,300 Scotsdale Navarre. Adrian himself weighs more than a ton on pasture at Rothney. His dam is Scotsdale Rachel Eliza by the well-known Scotsdale Lucifer that was by Perth supreme champion Calrossie Prefect. Prefect was purchased for Scotsdale the same year that Rothney bought his half-brother at the top of the Perth sale at \$26,000. Rachel Eliza is out of the same cow as the \$4,100 Scotsdale Audacious. Two of the first sons of Scotsdale Adrian sell and a number of females carry his service.

Rothney Dalbeattie is undefeated grand champion of the 1970 Iowa, South Dakota, Minnesota State Fairs, the Sioux Empire Fair and the Clay County Fair. Lot 2 is a full brother.

ROTHNEY ADJUTANT — Weaning index 106; life time index 103. This is a full-brother to Rothney Dalbeattie, a two-thirds interest in which was purchased by H. Russell Held, Hinton, Iowa, for \$2,500 at the 1970 Calgary Bull Sale. Later he was champion of the big Iowa State Fair. Dalbeattie in turn was a three-fourths brother to All-American two-year-old and International reserve senior, Rothney Constrictor. We have the high expectation that Rothney Adjutant will also make another big, good show bull.

Rothney Constrictor by Scotsdale Trooper was International reserve senior champion and All-American two-year-old of 1969 for R. Lee Johnson, Fredericktown, Ohio. Lot 3 is a half-brother.

ROTHNEY ACCLAIM — ROP gain index 105. Rosewood Gem 23S and her family have always been very popular at Rothney. This bull is a typical Scotsdale Trooper son.

ROTHNEY BARRACUDA — A grandson of Scotsdale Trooper and son of Scotsdale Adrian. This is the combination we had in mind when we bought Adrian and we're pleased with the results.

## THE FEMALE OFFERING

Rothney is very pleased to be the only herd in the United States or Canada this year to offer a complete sale offering bred, born and raised on the farm. It demonstrates the success of the careful Rothney breeding program and shows the excellent results of the Rothney stock bulls.

Study the females selling. We promise we've included the very best. There are a number of bred females and we recommend them highly. To this time, only one daughter each of Scotsdale Trooper and Boe Kae Royal Oak 2nd x has ever been sold. This sale gives you the opportunity to select daughters of both in abundance.

Raised in the foothills of the Canadian Rockies, the Rothney females have the stamina to survive and prosper in any herd in the world.

Consider too the free delivery offer which will place your purchases close to home at no extra cost.
